Notes:

> Sizes refer to the diameter or width of the planters. The pot varies in height, which requires additional soil and a fee.

> Small Planters (12"-18"): Ideal for smaller spaces, patios, and balconies.

> Medium Planters (20"-30"): Best for medium-sized areas like walkways, gardens, or decks.

> Large Planters (32"-48"): Designed for large spaces such as estates, courtyards, or grand entrances.
